

FCC Commissioners  
The Federal Communications Commission RE: Docket 04-435  
445 12th Street, SW  
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

This would be a nightmare. I and I'm sure many people would seriously curtail my airline patronage. I fly about monthly now. I couldn't stand to continue this if people were all talking on cell phones all the time, not to mention the possible danger.

Please leave the current rules in effect.

Sincerely,

Chelsea Earles
